The proposed amendment was duly noticed to the public. CRPTA provided an Affidavit of Publication as proof of publishing the notice. No Petitions to Intervene or protests were received by the Commission regarding the proposed amendment.

Upon consideration of the Application, the representations contained therein, and the documentary evidence attached thereto, the Commissions finds that the Applicant is fit, willing, and able to perform the service to the public under the amended authority sought. The Commission also finds that the granting of the amended Certificate is required by the public convenience and necessity.

IT IS THEREFORE ORDERED THAT:

1. The Application to amend Class A Certificate of Public Convenience and Necessity No. 1274 be, and hereby is, approved.
2. The Applicant file the proper license fees and other information required by S.C. Code Ann. Section 58-23-10 et seq. (1976), as amended, and by 26 S.C. Code Regs. 103-100 through 103-280 (1976), as amended, of the Commission's Rules and Regulations for Motor Carriers, within sixty (60) days of the date of this Order, or within such additional time as may be authorized by the Commission.
3. Upon compliance with S.C. Code Ann. Section 58-23-10 et seq. (1976), as amended, and with 26 S.C. Code Regs. 103-100 through 103-280 (1976), as amended, of the Commission's Rules and Regulations for Motor Carriers, a certificate shall be issued to CRPTA authorizing the motor carrier services granted herein.
4. Prior to compliance with such requirements and receipt of the certificate, the motor carriers services authorized herein may not be provided.
